Re: RUTHERFORD et al., v. THE CITY OF MT. VERNON et al., 18-cv-10706(LMS)

Dear Judge Smith;

This letter is in regard to the Defendants' Third Supplemental Disclosures. Two (2) disks and a thumb flash drive was delivered to me via legal mail, however WCDOC Assistant Warden Francis Delgrosso denied me access to view them unless he is provided with a court order. I did however view two disks on 11/21/19, the aforementioned disks were delivered the day after. Warden Delgrosso also happens to be a defendant in two separate complaints that are currently pending in this very court. On information and belief, through a discussion with the section sgt. on duty today 11/27/19 during the 7-3 shift that security staff had to review the material first. These actions are causing me a henderence in preparing proper pleadings for my case and also violate my Constitutional Rights. Your Honor, I humbly ask that you send WCDOC a court order requiring them to allow me to review all material pertaining to these legal matters, and that they provide me special access to the law library so that I can properly prepare my pleadings in this case, as we are allowed limited access to the law library. Thank you for your time into these matters.

DATED: November 27, 2019

RESPECTFULLY SUBMITTED
